PATIENT FINANCIAL POLICY

Your understanding our financial policies is an essential element of your care and treatment. If you have any questions, please discuss them with our office staff.

As a patient of Maplewood Podiatry Clinic, you are responsible for all authorizations/referrals needed to seek treatment in this office.

Unless other arrangements have been made in advance by you, or your health insurance carrier, payment for services at Maplewood Podiatry Clinic, is due at the time of service. We accept Visa, MasterCard, cash or check.

Your health insurance policy(s) is a contract between you and your insurance company(s). As a courtesy, we will file your insurance claim for you if you assign the benefits to the doctor. In other words, you agree to have your insurance company pay the doctor directly. If your insurance company does not pay the practice within a reasonable period, we will have to look to you for payment.

We have made prior arrangements with certain insurers and other health plans to accept an assignment of benefits. We will bill those plans with which we have an agreement and will only require you to pay the co-pay/co-insurance/deductible at the time of the service. You are authorizing the assignment of benefits to Maplewood Podiatry Clinic for every service rendered at Maplewood Podiatry or designee(s).

If you have insurance coverage with a plan we do not have a prior agreement, we will prepare and send the claim for you on an unassigned basis. This means the claim may be denied if out-of-network. Therefore, you are responsible for all charges of your care and treatment.

All health plans are not the same and do not cover the same services. In the event your health plan determines a service to be "ineligible for coverage" or you do not have an authorization, you will be responsible for the complete charge. We will attempt to verify benefits for some specialized services or referrals; however, you remain responsible for charges to any service rendered. Patients are encouraged to contact their plans for clarifications of benefits prior to services rendered.

You must inform Maplewood Podiatry Clinic of all insurance changes and authorization/referral requirements. In the event Maplewood Podiatry Clinic are not informed, you will be responsible for any charges denied.

Past due accounts are subject to collection proceedings. All costs incurred including, but not limited to, collection fees, attorney fees and court fees shall be your responsibility in addition to the balance due this office.

There is a service fee of \$25.00 for all returned checks. Your insurance company does not cover this fee.

To the best of my knowledge, I have answered the questions on this form accurately. I understand that providing incorrect information can be dangerous to my health. I understand that it is my responsibility to inform the doctor and office staff of any changes in my medical status.
